

Autumn One 2024

Welcome to Owls Class. The class teacher is Miss Coote, who is supported by Mrs de Leon. The Year 6 curriculum is tricky and a big jump up from Year 5. We cannot wait to get started and watch your children shine like the stars that they are! We have lots of incredible new learning to explore throughout Year 6 and cannot wait to share it with you. Owls will begin their topic learning on 'World War II'. You can find more information about our learning this term on the Topic Overview.

We will continue to use Teams to share messages, updates and reminders with you. If you need any login details sending home, please contact Miss Coote. If you have any questions, queries or information that you need to share with Miss Coote, you can email

owls@fleetwoodlane.lincs.sch.uk

All the subject knowledge organisers for this term are on

<https://www.fleetwoodlane.com/curriculum/> . Please click on our class star to access these. A

copy of this newsletter will also be on <https://www.fleetwoodlane.com/class-pages/>.

PE

Year 6 have PE on a Tuesday and Friday.

Year 6 will also have Swimming on a Wednesday.

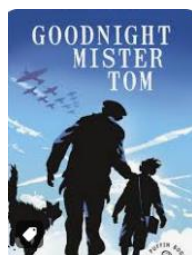

Spelling

Spellings will be set every Monday with a spelling test to be completed the following Monday.

Reading at Home

You will have seen your child's new reading record. This should be sent into school and come home every day. We are encouraging the class to read to an adult at least 3 times a week. Your child will be able to choose their books based on their ZPD range in school. If your child is reading other books to you, this can also be recorded in their reading record. They will receive 3 house points each week if they read 3 times, with an adult signing their record.

Class Novel

Our current class novel is 'Goodnight Mr Tom' by Michelle Magorian.

Drop off/collection times

We look forward to welcoming your child promptly at 8:35am each morning.

Collection at the end of the day is 3:20pm, please bear with us for the first few weeks while we become familiar with families in the class.

Times Table Focus

Our times table focus this term will be the 6x table. Please practise this at home with your child.
