

Hedgehogs

Spring Two

Lovely Lincolnshire

Maths

We will be exploring number to fifty and focusing on how to represent them, order and compare them as well as work with addition and subtraction within them.

English

In English we will be using the Talk for Writing approach to facilitate the children's writing for an information text called 'The Elephog'.

Geography

In Geography, we will be looking at our county and its place within our country. We will be exploring its unique features and identifying its key features in our own area and the within the county.

Science

We will be making comparisons between the seasons we have experienced this year so far - Autumn and Winter, We will be using our knowledge to anticipate and explore for signs of spring.

Design and Technology

We will be exploring how to make a windmill this term. We will plan and build our own paper windmill focusing on the sails and how to make them turn. We will also think about how to create a steady base.

Computing

We will complete a session on online safety. We will also be looking at how to program a floor robot called a 'BeeBot'.

Music

We will learn about pitch and tempo linked to a superhero theme.

PE

We will be exploring the units 'Inspire, Create and Perform'. Our PE days next term are on a Monday and Wednesday.

PSHE and RE

We will be reflecting on how to keep ourselves healthy.
We will continue our study of Islam and how Muslims celebrate important events.
