## News in School

Dear Parents and Carers,

A big thank you to all of you who took the time to log on to the Ofsted Parentview website to leave feedback for the inspection and to those who offered kind comments and words of support directly to staff over the past two days of our Ofsted inspection. These were very much appreciated by all the staff.

The inspection is now complete, and we await the formal feedback and report. We expect to receive this in the next 30 days and will share this with you once it is received.

The inspectors very much enjoyed meeting the children and we were very proud to hear of the children's interactions and feedback to the inspectors.

As always if you wish to speak to us about any aspect of the school's operations, please do not hesitate to contact us. I try to be available at the beginning of each day, at the school gate, please do catch up with me there or you can give the office a call to make an appointment to speak with your child's class teacher or school leadership.

Yours faithfully,

Mrs M Parker  
Head Teacher
