Friday 27<sup>th</sup> June 2025

Dear Families,

What a wonderful afternoon we had on Tuesday, thank you to everyone who came to support Sports Day! We have had lots of great events over the last two weeks, including the Lincolnshire Show, where our Reception Dormice received the second-place rosette for the Lincolnshire Schools Project, well done Dormice! If you are a parent of a Dormouse, you can access lots of wonderful photographs via See Saw.

Year 1 had an exciting visit to Hunstanton Sea Life Centre and saw lots of sealife.

Year 6 held a wonderful wedding in Church this week as part of their learning about Celebrations and we had a very successful PGL visit for our Year 5 and 6 pupils; some great ambition and courage on show. We are looking forward to being able to offer the opportunity to all of Year 5 and 6 on residential next year!

As we enjoy the summer term activities, we have also been preparing for the new school year and making sure our pupils get a positive induction and introduction to their next class. Children have had story time with their teacher for next year this week and we have planned two afternoons for them to spend time in their new classroom with their new teacher on July 10<sup>th</sup> and 11<sup>th</sup>. All our class teachers will be teaching the same year groups next year: Mrs Sherwood in EYFS, Mrs King in Year 1, Mrs Horlock in Year 2, Mrs Alexander-Jones in Year 3, Mr Evans in Year 4, Ms Sabir in Year 5 and Miss Coote in Year 6. If you have any questions or worries about transition, please do come and ask. We have developed a new information booklet for families, which will soon be available on the school website. I have attached a copy to the email for you all to see.

Next academic year we have also been able to secure an account with Tapestry, an online learning journal, where we will be able to share your child's learning experiences in school with you. In response to the family's survey sent out in January, this will be available for all pupils from Reception to Year 6. A permission slip is attached to the newsletter email for you to complete and return to us, so we can set up your account in time for September.

### **A short message from our Governors:**

#### Calling All Parents – Join Our Governing Body

We are currently seeking enthusiastic and committed parents to join our school's governing body. This is a valuable opportunity to contribute to the strategic direction of the school, support leadership, and help ensure the best possible education for all our pupils. No prior experience is needed—just a passion for education and a willingness to make a difference. We do currently have two parent governors and your inputs can make a real difference. If you're interested in playing a vital role in shaping the future of our wonderful school, we'd love to hear from you!

For more information, please contact Martin Bamforth or Simon Stockford.

A quick reminder that the 'Friends of Fleet,' our fund-raising group, will be holding their meeting on July 11<sup>th</sup> at 15:30 and are looking for new people to get involved. This was formerly known as PTFA and is a registered Charitable Body who raise funds to support Fleet Wood Lane Primary School. They are looking for a new Chair, but you do not have to be on the committee to get involved and anyone can organise a small fund-raising event on behalf of 'Friends of Fleet.' A bake sale, raffle, ice lolly sale is all it needs to grow the funds. We hope to raise enough next year to refurbish the library space in school.

## Community Larder Foodbank Appeal

**Urgently Needed Items:**  
Holbeach Community Larder in Holbeach would be so grateful for any of the items from this list.

A reminder that we would like to support our local Food Bank by collecting any donations for the Community Larder Foodbank Appeal. Thank you to everyone who has already donated. If you are able to donate an item, please bring it into school and we will ensure they reach the donation point for July 9<sup>th</sup>.

## Summer Holiday Clubs

The company offering summer holiday clubs using our school as a venue, Pathway Sports, have been in touch to say they are planning a Monday club throughout the summer holiday, from 09:00 to 15:15 at a cost of £21.50 for the full day. We will let you know as soon as they have confirmed.

## Safeguarding

A quick update on safeguarding resources available to parents from the Stay Safe Partnership.

### PARENT INFORMATION:

#### **The Code Event in Sleaford 5<sup>th</sup> July 10:30am and 2pm**

CODE is a powerful production exploring county lines and knife crime. Through physical theatre and gripping storytelling, it reveals the human cost of exploitation reminding us anyone, regardless of background, can be a victim or perpetrator. CODE challenges assumptions and sparks vital conversations around resilience, choice, and collective hope. The company are performing at Sleaford Market Place on 5<sup>th</sup> July. 2 showings one at 10:30am and one at 2pm.

## Resources

### **RNLI Water Safety Education Package**

We are lucky to have numerous areas of water across Lincolnshire from coast lines to lakes. As the weather gets warmer the risk of drowning increases as students explore these areas unaware of some of the dangers. RNLI can deliver Classroom workshops or assemblies and these can be arranged through completing the form here [Educational Visits - RNLI Youth Education](#) . If unable to secure a visit they also offer some fantastic education resources that can be used as part of PSHE [RNLI Education Resources For Young People](#) Alongside this resource they have take up safety advice in a range of languages. Please do plan to use these resources as we head into the summer months.
