

Hedgehogs

THEN + NOW: TOYS

Autumn One

Now and Then

Maths

We will be exploring numbers to 10. We will be thinking about their position on the number line, comparing numbers to 10 and giving one more and one less. We will also explore addition and subtraction to 10.

Design and Technology

We will be exploring different joining techniques this term. We will look at the effects of stapling, glueing and pinning material together and select the most appropriate to make a puppet.

PE

Our PE days next term are on a Monday and Wednesday. Please ensure that your child has an outdoor and indoor PE kit in school at all times.

History

In History, we will be learning about the present and recent past. We will make comparisons between the two time periods, looking at objects, photographs and eyewitness accounts to support this.

Computing

We will be learning how to use the keyboard and tracking pad to be able to log on and off to the laptops as well as access key functions.

PSHE and RE

We will be looking belonging in PSHE, developing our sense of place. In RE, we will be investigating different stories and how they relate to God.

English

In English we will be using the Talk for Writing approach to facilitate the children's writing of a story based on 'The Enormous Turnip'.

Science

We will be looking at Animals and Humans this term in science. We will be identifying and classifying different animals by thinking about their unique and common features. We will be labelling the parts of the human body and exploring the five senses.

Music

We will learn about pulse and using our bodies, voices and instruments to explore pulse.
