

Hedgehogs

Autumn Two

Around Our School

Maths

We will be exploring addition and subtraction to 10. This includes the number bonds to 10, the fact families and using number lines to support addition and subtraction. We will also be exploring shape this term.

Art

We will be investigating different types of paper art this term. We will create sculptures by twisting, rolling and folding paper inspired by different pieces of art from around the world.

PE

Our PE days next term are on a Monday and Wednesday. Please ensure that your child has an outdoor and indoor PE kit in school at all times.

Geography

In Geography, we will be exploring the world around our school. We will be creating maps, thinking about birds-eye views and also thinking about what man-made and natural features we have near us.

Computing

We will be continuing to develop our keyboard skills alongside using a paint program which will develop our mouse skills.

PSHE and RE

We will be looking celebrating difference in PSHE, developing our own identity. In RE, we will be investigating the festivals of Hannukah and Christmas.

English

In English we will be using the Talk for Writing approach to facilitate the children's writing of a story based on 'How to Wash a Woolly Mammoth'.

Science

We will be looking at Animals and Humans this term in science. We will explore the five senses in more detail, completing a scientific investigation into each sense.

We will also think about the Winter season.

Music

We will learn about tempo and using our bodies, voices and instruments to explore fast and slow.
