Headteacher: Mrs Ceri Tacey MA (Ed) BA (Hons) NPQH NPQEL

Friday 21st November 2025

Dear Families,

We can't believe how quickly November is going, classes have begun rehearsal for their seasonal songs and the Nativity rehearsals have begun in Dormice! Please check the important date reminders at the end of the newsletter for everything coming up this term. A reminder to ensure children are wearing suitable cold weather clothes, coats, hats and gloves, as we do play outside every day, even in the rain! We do encourage children not to splash and get wet, but you are welcome to provide a change of clothes/tracksuit just in case. We were donated some hats, gloves and scarves, which we have given out to children to use and keep. There are still a few items left, let us know if your child needs some and we can get them to the right children.

We would like to celebrate the success of our Year 5/6 Football Team, as you will have seen on Tapestry, they made it to the final of their football tournament this week and came runners up!

We are extremely proud of their sportsmanship, teamwork and general conduct during this event and would like to thank Mr Bird and Mr Bayly for all their support.

We hope that everyone is now accessing Tapestry and keeping up to date with everything that has happened in school. If you have not yet signed up, the form is attached to this newsletter.

This month we have had odd sock day for Anti Bullying week, Remembrance Day, Children In Need, Road Safety Awareness, Bikeability, Science, Mathematics, recall of multiplication facts, English, Phonics, Music, Drama, PE, Geography, Hobby Clubs and Design and Technology. The children and staff have been working hard, please have a look and talk to your child about what they have been learning.

We would like to take this opportunity to welcome our new staff members: Mrs Boland and Mrs Parker, who will be joining us as lunchtime staff and Mrs Cole, who will be joining our premises team as a cleaner.

The new classroom build, to replace the mobile classroom, is progressing. Work started today on re-routing the mains electricity into school, as part of the preparations. Please take care at drop off on Monday morning, as there may be some debris near front of school. We are expecting building work to begin in January and will keep you updated after our meeting with Lincolnshire County Council at the start of next month.

Dates to remember for this term:

No hobby clubs (due to inter-school reading moderation) Tuesday 25th November (squirrels is available if needed)

Willersley Castle Parent Information Evening Year 5 and 6 **Wednesday 26th November at 15:45**
