

# Hedgehogs

## Summer One

### Wheels, Wings and Wonder

#### Maths

We will be exploring multiplication and division this term. We will also be using language related to fractions.

#### Art

We will be exploring paint this term by working with different colours and looking at how to mix for tone and shade. We will explore artists who have used these skills to good effect.

#### PE

PE is on Monday and we are swimming on Wednesday. Please come to school in your PE kits on Monday and Wednesday.

#### History

In History, we will be exploring the development of transport. We will look at how it has changed over time and the impact that this has had on people's lives.

#### Computing

We will be completing work around photography this term by looking at how to take photographs and edit these.

#### PSHE and RE

We will be looking at relationships in PSHE. In RE, we will be looking at the celebration of Easter for Christians and Passover for Jews.

#### English

In English we will be using the Talk for Writing approach to facilitate the children's writing for a story based on Pirate Tom.

#### Science

We will be exploring plants this term. We will learn the names of different plants and trees and explore their parts. We will identify the function of each part. We will investigate how plants grow and what is needed to do this.

#### Music

We will learn about pitch and tempo linked the superheroes.
