Hedgehogs Summer Two Over Land and Sea

Maths

We will be exploring numbers to 100.

We will also explore time and money as well as position and direction.

Geography

In Geography, we will be learning the names of the continents and the oceans.

We will be exploring the differences between land and ocean.

English

In English we will be using the Talk for Writing approach to facilitate the children's writing for an information text based on our model 'Hawk Ridge Farm'.

Art

We will be different drawing techniques this term. We will explore pencil control and making marks for a purpose as well as shading.

Computing

We will be learning to use an online programming tool. We will be learning the building blocks of programming in order to complete a small project.

Science

We will be making comparisons between all of the seasons We will be using our knowledge to anticipate and explore for signs of Summer and how this will then complete the cycle and return to Autumn. We will also learn about different types of trees and plants.

PE

Our PE days next term are on a Monday and Wednesday. Please ensure your child comes in their PE kit on those days.

PSHE and RE

We will be looking at changes in PSHE.
In RE, we will continue to look at the link between stories, festivals and celebrations.

Music

We will learn about music symbols and linking these to our music playing.

Antarctica

Antarctica is a continent located in the southern hemisphere, at the bottom of the world. It is the only continent that is completely surrounded by water.

August 2013

Boundary representation is not necessarily authoritative.
