

English

This term in English, we will be looking at non-fiction texts including 'Why Seagulls are a nuisance'. We will be building our discussion writing skills and looking at both sides of an argument.

Otters

Summer Two

African Adventures: Villages and Cities

Maths

In maths, we will be looking at time, statistics and position and direction.

Science

In Science, Otters will be investigating 'Bug Hotels'. We will be looking at micro habitats and deciding what materials we will need to support building a bug hotel.

RE

We will be continuing our investigations into what is meant by religion and worldviews.

DT/Music

DT - Cooking and Nutrition - Healthy Eating

Music - Pitch - Musical Me

PSHE

Changing Me - We will be looking at life cycles and how we change as we get older.

Topic

In Topic, children will begin their learning about 'African Adventures: Villages and Cities'.

We will be developing our knowledge of Kenyan villages and cities and comparing them to our local area.

PE

We will be working on our sports day skills, health and fitness and athletics.

Computing

Programming quizzes using Scratch Jnr.
