You will note that our Sports Day venue has been moved to Fleet Community Field, which is just opposite The Willows Nursery in Fleet Hargate. Thank you to Fleet Parish Council for allowing us to use this venue for our event.

We have booked a coach to transport us all there safely and we will be having the lanes marked onto the grass. Please do feel free to come along and bring friends, family, lawn chairs and picnics with you. Friends of Fleet will be supporting us with refreshments from the Pavillion, and we will have access to the toilets there.

The building work is making good progress, they have started to put on the roof today and the classroom and new school entrance are really taking shape. We are looking forward to everything being watertight and interior fittings starting soon.

We also continue to work towards plans to refurbish the library. The Friends of Fleet continue to fund raise for this project and with your support, we hope to have enough money raised to have work completed over the summer break. Finally, just a few reminders:

- Don't forget to check Tapestry to see lots of work and events in school.
- Please check your child is prepared for hotter weather with sun cream, hat and a water bottle.
- Please remember to respond to trip letters promptly, we must ensure we have enough contributions for visits to go ahead, and trips will be cancelled if we haven't received enough contributions 7 days before the date.
- Just a reminder for those who may not be aware, the Lincolnshire Show takes place on Wednesday 17th and Thursday 18th June and is classed as 'authorised absence' if you chose to take your child to this event and can provide evidence of your visit.

Thank you for your continued support.

Yours sincerely,

Mrs Tacey
