

Foxes-Spring 1

Maths

We will continue our learning, moving onto multiplication and division. We will start our new cycle of mastering numbers, where pupils will learn about ratios.

Art & DT

Using Charlie Mackesy's art as inspiration- pupils will experiment and develop their skills in producing art that shows emotions or movement. This will include using: printing ink, oil pastels and a range of other art supplies.

Music

Pupils will be developing their performance and playing skills. Including playing an eight beat break and playing in sync.

English

Pupils will be writing a fiction piece this term. Our model text is Dobber and the silver ring.

Computing

We will be looking at how a flat-file database can be used to organise data in records. Pupils will use tools within a database to order and answer questions about data. They will create graphs and charts from their data to help solve problems.

PSHE/RE

Healthy me and What are religious and spiritual experience?

Science

We will be developing our skills as scientists and investigating changes in materials and their properties.

Topic

We will be developing our historical skills focusing on the Ancient Greeks. Pupils will make links with prior learning as well as understanding the lasting legacy of this ancient civilisation.

PE

This term pupils will be with our PE coach on Fridays and Mrs Rodgers on Wednesdays.
