

# Foxes- Spring 2

## **DT/ART**

This term we will be investigating what and how bridges are constructed- before pupils will build their own bridges in groups.

## **Music**

This term we focus on music from India and how this can tell a story.

## **Topic**

We will be investigating all things Rivers.

This is supported with a field trip, where pupils will conduct experiments.

## **French**

Pupils will be learning all about clothes

## **PSHE/RE**

Changing me and expressing belief through art.

## **Maths**

We will continue our learning, investing decimals, negative numbers and shapes. Pupils will also have the opportunity to recap on prior learning.

## **English**

Pupils will be writing a recount- pupils will use bias language. In reading this term we will cover a range of writing based on the novel- The tiger rising

## **Science**

We will be investigating chemical changes. We will be continuing to develop our scientific skills further in science week.

## **Computing**

We have an exciting series of lesson- using crumble kits and programming.

## **PE**

This term PE is on Wednesday and Friday- Dance and Tag rugby.
