News In School

Dear Parents and Carers,

Another busy week in school with pupils with pupils from Year 5 and 6 venturing off to PGL at Caythorpe. Whilst not a million miles away from the school, their daily adventures have been worlds away from the norm. With raft building, zip wires, and abseiling to name just a few of the fun activities they have been able to enjoy.

I was able to join them on Tuesday to enjoy a game of laser tag. It was very competitive – but all enjoyed the fun and winners, with everyone laughing and smiling! The children invited me to view the accommodation. The rooms were lovely, although housekeeping standards did vary.

It was wonderful to see them all get back safe and sound – ready to for a night in their own beds!

Mrs Barron has a treat

This week we have welcomed into school our new starters for September. Each day Mrs Barron, and her now very experienced Dormice, enjoyed welcoming in a small group of the new children due to join us in September. Dormice children did an incredible job showing them the ropes. Thank you to them. We will see them all visiting us again next week (still in small groups each day) before the whole class comes along on change over afternoon on Tuesday 18th July 2023.

Year 1 & 2 – Holdenby House

Children in Hedgehogs and Otters travelled further a field to the county of North-Hamptonshire to visit Holdenby House. In school, the children in Hedgehogs have been learning about the Great Fire Of London and Otters have been learning about Florence Nightingale. The educational trip allowed them to learn about, and experience, what life might have been like during these important periods of history.

Year 3 – Magna Trip

Robins children travelled to South Yorkshire to experience the wonder of the Magna. With water, fire and ice areas there was lot to learn and lots to experience.

Returning staff have all reported how wonderful the children were during the trips. They have been wonderful ambassadors for Fleet Wood Lane School. Well done everyone.

Class photos

Order forms for class photos went out last week. The pictures are really lovely – we have framed copies in the office if you would like to see them before you order. Please pop in and take a look.

THINGS TO LOOK FORWARD TO

Year 6 End of Year Production – Wednesday 12th July

With opening night postponed due to a clash with high school and secondary school open events clashing – we are looking forward to joining the Year 6 at their end of year performance on Wednesday evening. Parents in Year 6 should look out for correspondence from Mr Eggleton, confirming times etc.

Summer Disco

Friday 14th July 5pm – 7pm

(Year 6 to stay until 10pm for the leavers celebrations)

- £3.00 per child
- Tuck shop and novelty toys will be available to purchase at a small cost. Children are welcome to bring a small amount of cash to this event.
- Raffle tickets also available for the chance to win a refurbished ipad at £2.00 per ticket, limited to one ticket per child.

Booking and ticket information has been sent out separately in letters and emails today/

Year 6 pupils are invited to extend their stay with us on Friday until 10pm, so that they can enjoy a farewell celebration with school staff.

WHOLE SCHOOL PICNIC - Friday 22nd July - Last day of term

We are hoping that the last day of term will be sunny, as we would love to see our whole school community enjoying a picnic together on the school field. Please come along to join us at 12 noon. Entry to the field will be via the small gate next to the offices.

Year 6 end of school arrangements

The last day will be a very busy for our Year 6's. Their parents are invited to join us in school at 10am for the Year 6 end of primary school assembly. (Tissues are a must!). After lunch, Year 6 pupils will compete against their parents and staff in a rounders match. The children are very keen to win.

PARKING

Please can I remind you to be considerate when dropping off and picking up from school. Parking is very restricted, so we absolutely need your support to keep traffic moving around the school. If you are asked to move your vehicle, please do so, as we would not be making the request unless it was absolutely necessary. Thank you.

As always, if you need any further information regarding anything contained within this letter or any other aspect of the school's operations, please do not hesitate to contact us via your class teacher or the school office.

Yours sincerely,

Mrs M Parker

Head Teacher
