News In School

Dear Parents and Carers,

What a fabulous day Fun Fit Friday has turned out to be. Sports Day was an absolute joy. The children enacted our school values of ambition, pride and confidence – and being gracious in victory or defeat they showed great respect and kindness towards each other. Well done to Sycamore -with 88 points they secured first place and were delighted to treat us all to a lap of honour around the running track. Well done to all the children. We are so proud of them all.

A big thank you to parents, carers and friends who came along to watch. It was wonderful to see so many of you enjoying the event and taking part too. Our Friends of School (PTFA) volunteers also did a great job providing us all with a range of lovely refreshments. Thank you to them too.

The joy does not stop there. The children returned to class to take part in other healthy lifestyles learning as well as enjoying the opportunity to learn about the sport of arm wrestling. Thank you to Mr Culana for sharing his passion and skill in this area. It was a real treat for us.

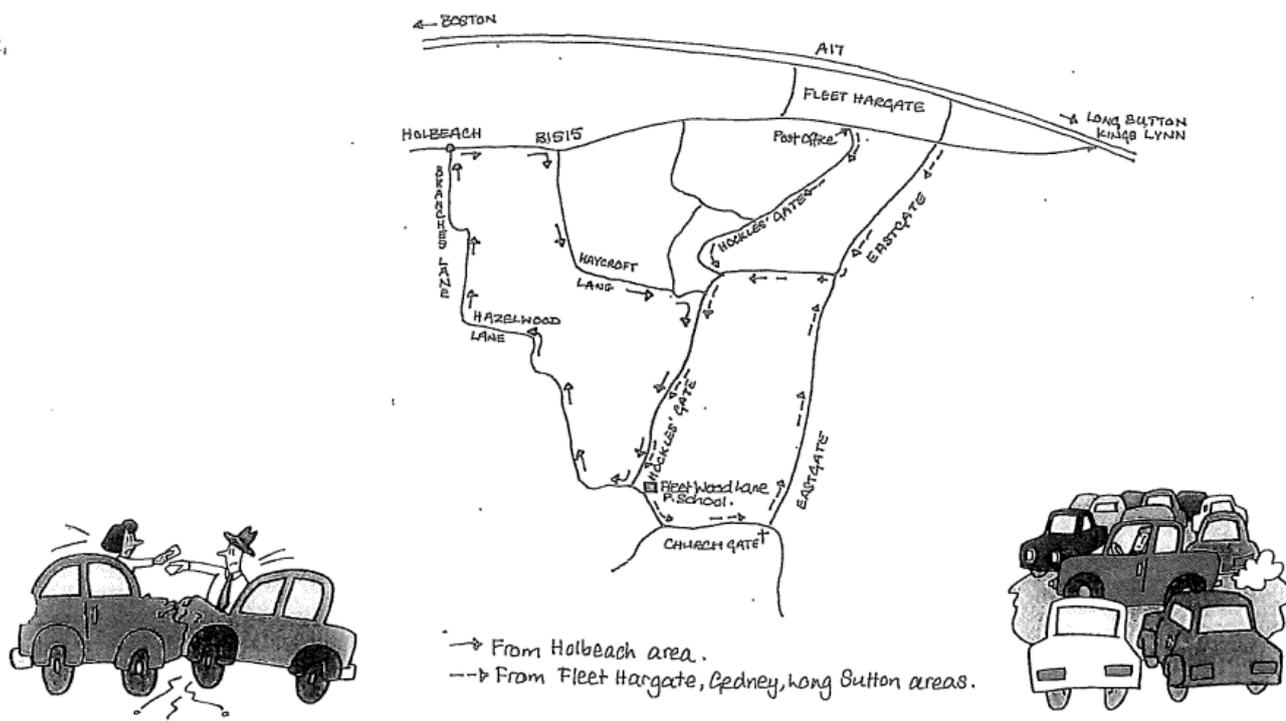

This evening we are looking forward to our Party in the Playground. Mother nature had sent us the best of weather for the event so please do come along and enjoy the fun. There will be lots of traditional school fete events, stalls and games to enjoy as well as live entertainment, food and refreshments. The PTFA have done a brilliant job bringing together a wonderful evening for us all to enjoy. Please do come along – it's going to be amazing! A particular thank you to the PTFA committee. It is their outstanding effort and commitment that has made this event possible. Tickets will be available on the gates tonight!

Don't Forget the End of Year Family Picnic

The last day of term is Friday 21st July. Year 6 parents will be joining us in school to attend the Year 6's end of year assembly. Parents and carers are welcome to join us at lunch time to enjoy a school family picnic. The long-term weather forecasts suggest we can look forward to sunshine for the next few weeks, so it will hopefully be perfect weather.

Parking and Traffic

Pick up and drop off at school are particularly busy times. To help minimise congestion and to increase road safety, we do kindly request parents to use the recommended 'one-way' system around the school site. The road in front of the school is narrow. When cars are parked it presents a bottle neck. Using the one-way system will increase the flow of traffic, making drop off and pick up quicker and easier.

Please remember, not to drop off, or park, on the yellow lines outside the school. Please do park responsibly – particularly when it is busy. Please do not park on the grassed triangles. Many thanks.

As always, if you need any further information regarding anything contained within this letter or any other aspect of the school's operations, please do not hesitate to contact us via your class teacher or the school office.

Yours sincerely,

Mrs M Parker
Head Teacher
