Tuesday 6th June 2023

News In School

Dear Parents and Carers,

Welcome back to the Summer term. The term gets off to a flying start with Friday being a day of fun and celebration. Our annual sports day is taking place on Friday 9th June as part of Fun Fit Friday. The day will in school will be given over to sport, physical activity and healthy living – helping the children to learn about the benefits of a healthy lifestyle on both their physical and mental wellbeing.

The day will kick off with our traditional sports day races, starting a 9.30am. Parents/family members are invited to join us straight after drop off – obviously allowing you to access race side seats.

Mr Eggleton has been busy getting the race lists and the ‘runners and riders’ organised and has created a jam-packed schedule. The race programme will involve flat races, bean bag, hurdles and hoop, sack race and egg and spoon. As we add up the scores, parents will be invited to take part in parent and child races before the relay races conclude our Sports day events.

We expect that final announcements of winners will take place at approximately 11am, after which the children will return to class to embark on the other fun learning activities planned.

We are hoping for sunshine on Friday – so please do remember sunscreen and sunhats are a must. We will put out chairs, but we never have enough, so please feel free to bring your own is available. Children should have their school uniform PE kit in school and will change on arrival to school. We will be using coloured bands to identify the team colours.

Party in the Playground

Friday is a day full of exciting events and entertainment – at both ends of the day! Party in the Playground takes place on Friday from 5.30pm-10pm. With lots of the traditional school fete events, stalls and games, we are looking forward to enjoying a family and community get together with live entertainment, food and refreshments. The PTFA have done a brilliant job bringing together a wonderful evening for us all to enjoy. Please do come along – it’s going to be amazing!

Tickets are available from the PTFA or alternatively please contact the school office and we will assist. At just £3 per ticket (including food) it is an absolute snip. If you are able to help out in the setting up of the event, or on the night, please do get in touch with the PTFA or the office. *Many hands make light work.*

All funds raised will go directly to supporting our aim to provide a class set of laptops (30) that all children will be able to use, across all curriculum areas.

End of Year Family Picnic

The last day of term is Friday 21st July. Year 6 parents will be joining us in school to attend the Year 6's end of year assembly. We would like to invite all parents to join us at lunch time, when we will hopefully be able to enjoy an end of year picnic in the summer sunshine. After lunch, Year 6's will be challenging Yr6 parents/staff in a rounders competition. We expect this will make excellent spectator sport – competition will be high.

As always, if you need any further information regarding anything contained within this letter or any other aspect of the school's operations, please do not hesitate to contact us via your class teacher or the school office.

Yours sincerely,

Mrs M Parker
Head Teacher
