Dear Parents and Carers,

Another short week in school due to the extra bank holiday in celebration of King Charles III's coronation. That said, our **Year 6's** worked incredibly hard this week, pulling out all the stops to show their excellence in learning as they put 100% effort into this year's statutory assessment tests. We are extremely proud of them all – well done Year 6!

Year 2's are taking up the baton this week, as they commence their end of year 2 assessments. Mrs Hill and Miss Harris have worked very hard since January to support the children's progress towards the end of Year 2 standards, and we wish all the children well. We know that they will all try their very best and that is all that anyone can ask. Good luck Year 2's.

Attendance

Last week saw Robin's class achieving 100% attendance. Whilst many classes have come close, Robins are the first class to achieve this this year. Please continue to do all you can to achieve full attendance. Please do avoid any unnecessary in term absences. Thank you.

The Spalding Flower Festival makes a come back

This weekend saw, after a 10-year absence, the return of the Spalding Flower Festival. Having been invited to take part, a party of Year 6's (under the direction of Mr Eggleton) represented the school at the event. In support of their World War II topic learning they appeared finely dressed as evacuees. Thank you to everyone who took part and did such a wonderful job representing the whole school community at the event.

It's a puppet!

What amazing artistic talents our pupils have. Look at these wonderful creations made as part of the After-school puppet club.

Thank you to Mindfulness4you for leading the club. Look out for the club reappearing in future newsletters and sign up to join the fun!

Police Drone name competition winner

We are delighted to announce that Danny Griggs from Foxes, has won a competition to name a police drone that will serve our local community. The winning name was "Apollo", look out for a drone near you, it could just be Danny's Apollo drone!
